

Terms of Use for Datasets

Description

The World Bank strives to enhance public access to and use of data that it collects and publishes. The data are organized in datasets listed in The World Bank Data Catalog (the “Datasets”). The Datasets are collections of data, managed by The World Bank and provided in a number of machine-readable formats. The World Bank provides you with access to the Datasets free of charge subject to the terms of this agreement (these “Dataset Terms”), and subject to the general Terms and Conditions for using the World Bank website, which are incorporated into these Dataset Terms. Where these Dataset Terms conflict with the general Terms and Conditions, these Dataset Terms shall prevail. Use of data derived from the Datasets, which may appear in formats such as tables and charts, is also subject to these Dataset Terms.

Licenses

You are encouraged to use the Datasets to benefit yourself and others in creative ways. You may extract, download, and make copies of the data contained in the Datasets, and you may share that data with third parties according to these terms of use.

Unless specifically labeled otherwise, these Datasets are provided to you under a Creative Commons Attribution 4.0 International License (CC BY 4.0), with the additional terms below. The basic terms may be accessed [here](#). When you download or use the Datasets, you are agreeing to comply with the terms of a CC BY 4.0 license, and also agreeing to the following mandatory and binding addition:

Any and all disputes arising under this License that cannot be settled amicably shall be resolved in accordance with the following procedure:

- Pursuant to a notice of mediation communicated by reasonable means by either You or the Licensor to the other, the dispute shall be submitted to non-binding mediation conducted in accordance with rules designated by the Licensor in the copyright notice published with the Work, or if none then in accordance with those communicated in the notice of mediation. The language used in the mediation proceedings shall be English unless otherwise agreed.
- If any such dispute has not been settled within 45 days following the date on which the notice of mediation is provided, either You or the Licensor may, pursuant to a notice of arbitration communicated by reasonable means to the other, elect to have the dispute referred to and finally determined by arbitration. The arbitration shall be conducted in accordance with the rules designated by the Licensor in the copyright notice published with the Work, or if none then in accordance with the UNCITRAL Arbitration Rules as then in force. The arbitral tribunal shall consist of a sole arbitrator and the language of the proceedings shall be English unless otherwise agreed. The place of arbitration shall be where the Licensor has its headquarters. The arbitral proceedings shall be conducted remotely (e.g., via telephone conference or written submissions) whenever practicable

You agree to provide attribution to The World Bank and its data providers in the following format: The World Bank: Dataset name: Data source (if known). When sharing or facilitating access to the Datasets, you agree to include the same acknowledgment requirement in any sub-licenses of the data that you grant, and a requirement that any sub-licensees do the same. You may meet this requirement by providing the uniform resource locator (URL) of these terms of use.

You may use our application programming interfaces ("APIs") to facilitate access to the Datasets, whether through a separate Web site or through another type of software application.

Some datasets and indicators are provided by third parties, and may not be redistributed or reused without the consent of the original data provider, or may be subject to terms and conditions that are different from those described above. Where applicable, these conditions are included in the dataset or indicator metadata.
